An Amendment and One-Month Extension request was filed via the USPTO EFS today for the above-identified application. I was unable to submit the fee for the Extension because of failure of the USPTO website. I was advised by a Customer Service Representative at the EBC to fax the Form 2038 to authorize payment of $120 for a One-Month Extension of Time. A form 2038 is attached to authorize the charge for One-Month Extension of Time.
